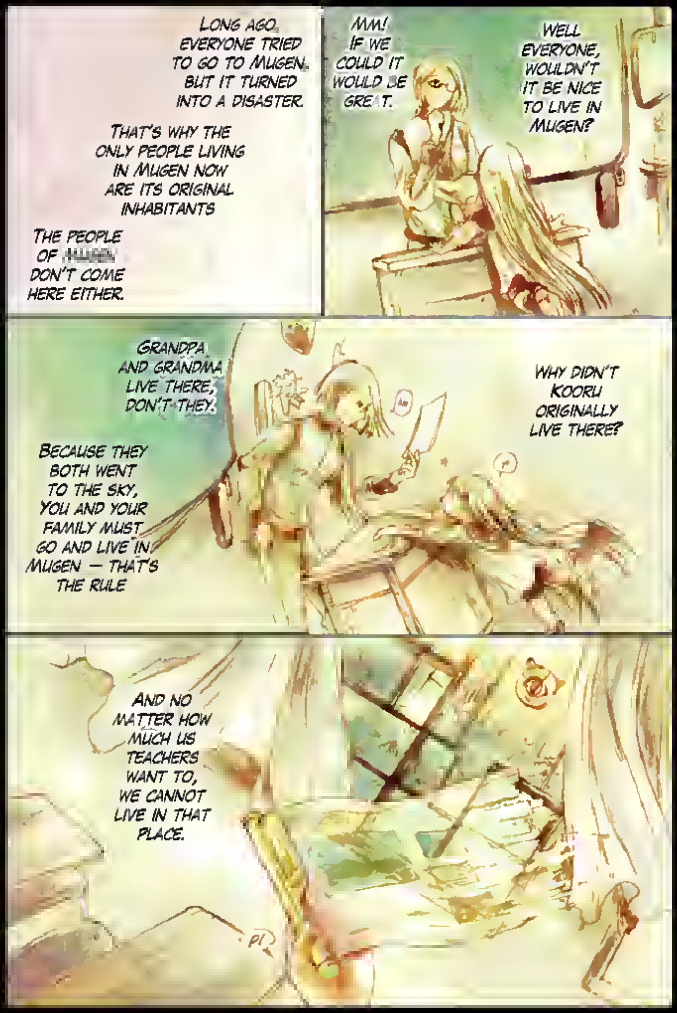
SENSEI, WHAT KIND OF PLACE IS MUGEN?
WHAT KIND INDEED. EVEN THOUGH I'VE NEVER BEEN, I BELIEVE IT'S A VERY NICE PLACE.
YOU NEVER WENT THERE? HOW COME?
IT'S DIFFERENT FROM TOKIO. IT'S FULL OF REAL NATURE. IT'S FULL OF REAL FOOD. ISN'T THAT NICE?



Long ago, everyone tried to go to Mugen, but it turned into a disaster.
That's why the only people living in Mugen now are its original inhabitants
The people of [illegible] don't come here either.
Mm! If we could it would be gre t.
Well everyone, wouldn't it be nice to live in Mugen?
Grandpa and grandma live there, don't they.
Because they both went to the sky, you and your family must go and live in Mugen — that's the rule
Why didn't Kooru originally live there?
And no matter how much us teachers want to, we cannot live in that place.

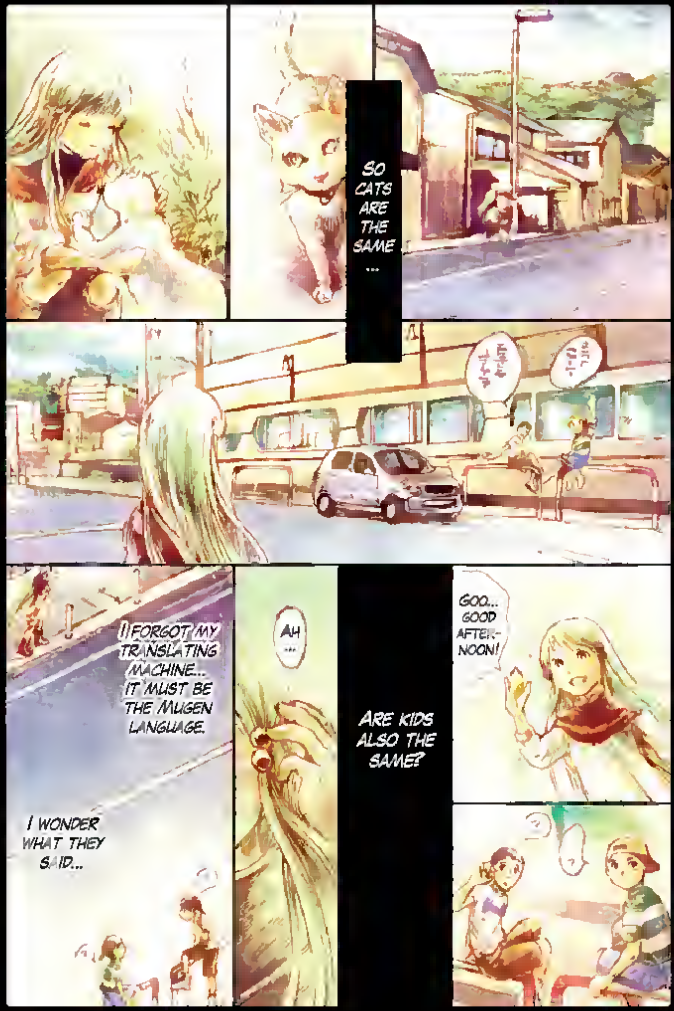
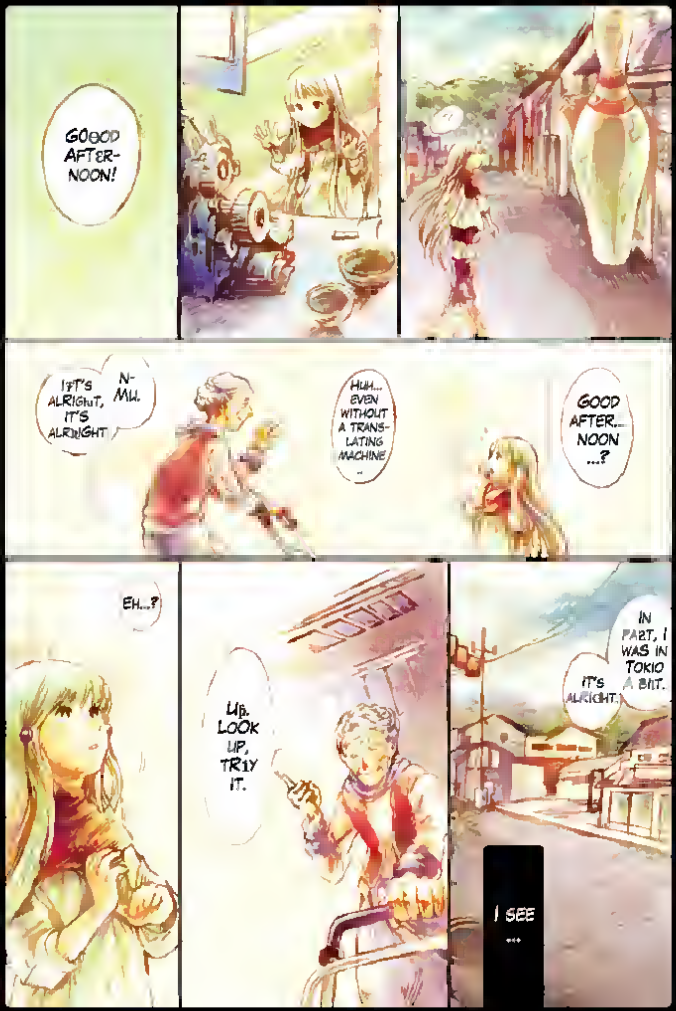
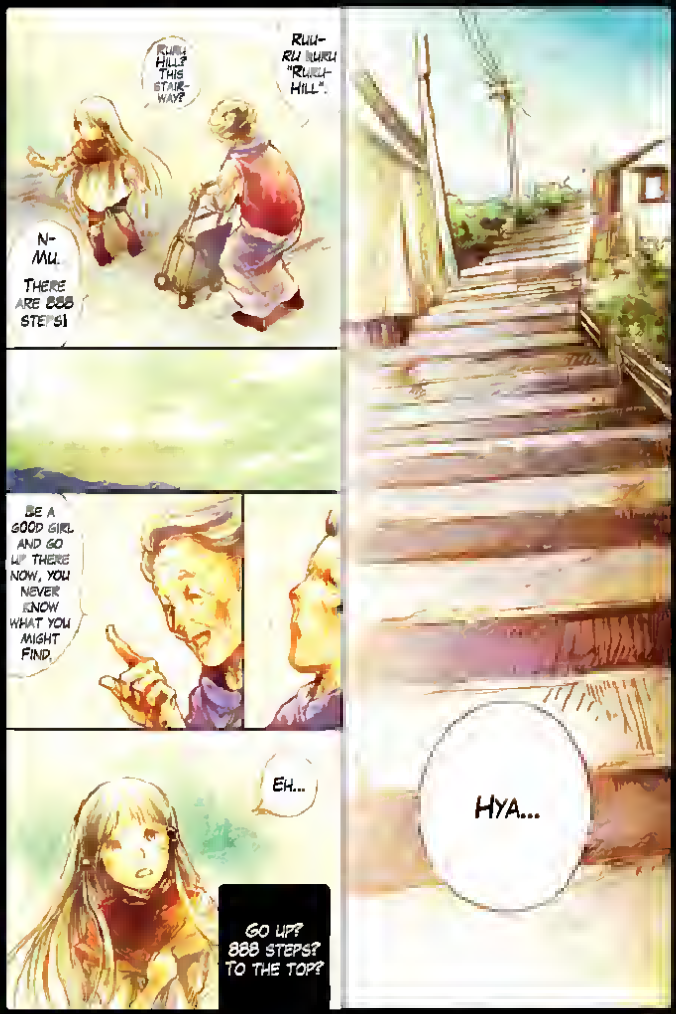
COULD WE CALL A TAXI?
IT'S SO DIFFERENT FROM TOKIO... AND THERE'S NO TRAIN.
THE NEXT BUS FOR MANAURA IS IN TWO HOURS HUH...
WE'RE JUST A LITTLE TIRED.
MOMMY!
THE SHELL STYLE CAMERA WAS AN ALLOWABLE ITEM. HOWEVER, "USE IT WITH GREAT CARE" HER FATHER HAD SAID.
I'LL GO FOR A WALK.
THE FLOW OF TIME IS DIFFERENT.



SO CATS ARE THE SAME ...
I FORGOT MY TRANSLATING MACHINE... IT MUST BE THE MUGEN LANGUAGE.
I WONDER WHAT THEY SAID...
AH ...
ARE KIDS ALSO THE SAME?
GOO... GOOD AFTER-NOON!

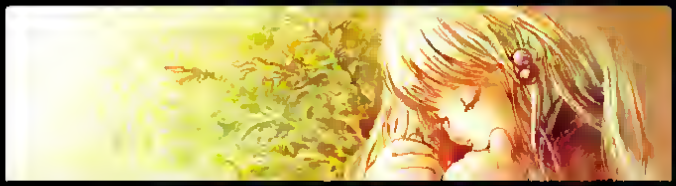


GOOD AFTER-NOON!
N-MU.
IT'S ALRIGHT, IT'S ALRIGHT
HUH... EVEN WITHOUT A TRANS-LATING MACHINE ..
GOOD AFTER... NOON ...?
EH...?
UH. LOOK UP, TRY IT.
IT'S ALRIGHT.
IN PAST, I WAS IN TOKIO A BIT.
I SEE ...



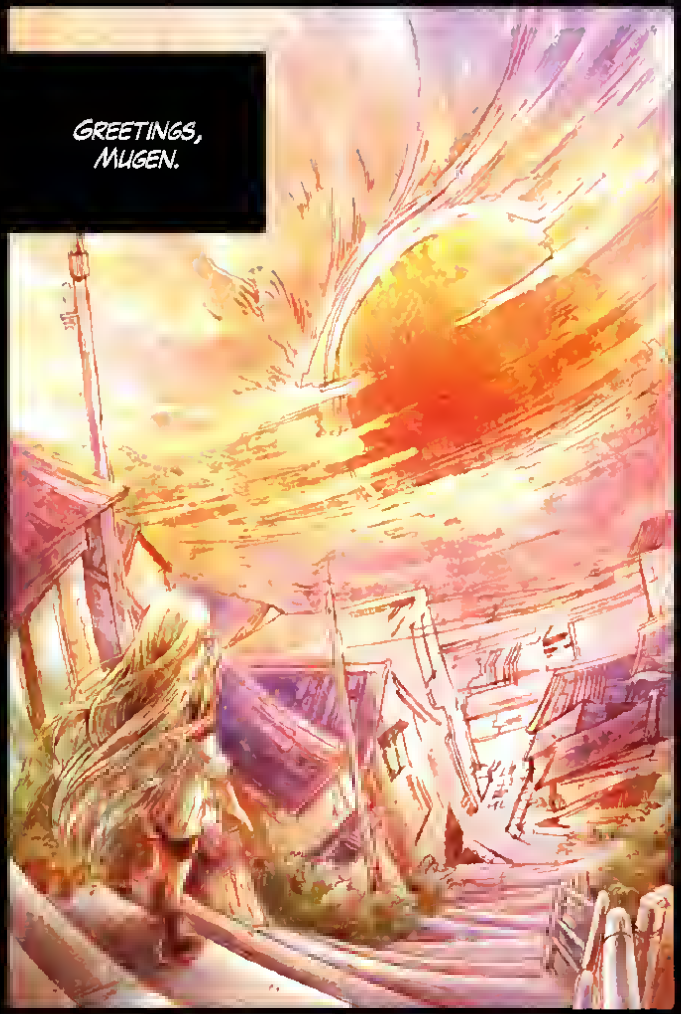
RUU-RU RURU "RURU-HILL".
RURU HILL? THIS STAIR-WAY?
N-MU. THERE ARE 888 STEPS!
BE A GOOD GIRL AND GO UP THERE NOW, YOU NEVER KNOW WHAT YOU MIGHT FIND.
EH...
GO UP? 888 STEPS? TO THE TOP?
HYA...

HOW ABOUT IT? WANT TO TRY CLIMBING?
TOO BAD OF A CLIMB, ALTHOUGH...
IT'S NOT REALLY,



RED.

UPON OPENING HER EYES, THERE WAS EVEN MORE RED.
AN ENORMOUS SPHERE OF RED.



GREETINGS,
MUGEN.
